

CHOICE & CONSISTENCY

As a client at Complete Support & Co. you **choose the support that best suits you.**

We believe in consistency for all our clients, established through **predictability and reliability.**

By providing the highest quality support for all clients including, **high needs and children.**

SILS (Supported Independent Living)

SIL enables individuals with disabilities or special needs to live as independently as possible within their community. We consider the individual's preferences, abilities, and goals and provide the appropriate supports.

This can include training in daily living skills (such as cooking, cleaning, and personal care), budgeting, accessing transportation, and maintaining social relationships.

Client Testimonial

We value our clients and their families feedback -

“Renee and the CS support team are all amazing supports for our family. They are all so caring and inclusive. They have been such an amazing team and have really made our lives so much better. They are reliable and organised and great communicators. We highly recommend them for anyone looking for support workers.
